Bringing More Parties to the Table

At the end of 2006,
Indiana probation
departments were
supervising:

145,789 adults and
juveniles

1.3 % increase from '05

Building Probation Functions

Tools for judges

The background of this section is a detailed architectural floor plan of a residence. It shows various rooms including a living room, dining room, kitchen, and bedrooms, with precise dimensions and structural details. The plan is drawn on a blue background with white lines and text.

Tools for Probation Officers

The background of this section is a detailed architectural floor plan of a residence, similar to the one above, showing room layouts, dimensions, and structural details. It is drawn on a blue background with white lines and text.

Tools for Clerks

The background of this section is a detailed architectural floor plan of a residence, showing room layouts, dimensions, and structural details. It is drawn on a blue background with white lines and text. At the bottom of the plan, there is handwritten text: "RESIDENCE OF MR & MRS R. C. AUTEN INWOOD", "HENRY L. ECKEL", "RIVERSIDE", "CALIF.", and "R. C. AUTEN".

Input sessions

Input Session Outcomes

- JTAC received 86 suggested requirements
- The 86 suggested requirements were sent to probation officers who attended the February meetings
- JTAC asked for comments and reaction to how they were prioritized

Probation officers' input came from:

- Allen
- Bartholomew
- Grant
- Hamilton
- Harrison
- Henry
- Howard
- Madison
- Marion
- Miami
- Monroe
- Parke
- Steuben
- Tippecanoe
- Wells

Suggestions – no final decision yet

■ Ability to:

- assign risk level based on assessment tool
- generate documents in Microsoft Word and automatically merge data from case record
- require drug panels for screening, track results, and maintain history by probationer

Suggestions – no final decision yet

- Ability to:
 - produce reports, i.e. state required reports, tracking recidivism, drug test results, etc.
 - track demographic information, including transportation and medical information
 - provide Indiana specific PSI Face Sheet

Suggestions – no final decision yet

■ Ability to:

- link a probation case to its related court case
- assess and collect fees, fines, costs for the probation case
- provide an Officer Dashboard with summary information such as open contacts, office visits for the day, etc.
